

**ABU ITEM EXCHANGE 2006**

**HOW THINGS ARE MADE - 'HAIRBAND BEAR'**

**RADIO TELEVISION MALAYSIA (RTM)**

VISUAL	NARRATION
<p>Amira feeling bored staying alone in the house. Firstly she takes the rubber hair band from the accessory basket and tries her hair in various styles. Amira is still bored and making various face expressions. She picks up many more colorful rubber hair bands and wears them one by one and continues wearing to her hands, legs and her hair. Amira is still bored. She starts look at the dolls and teddy bears on the top of the shelf. Amira then picks up the rubber hair bands to shoot and hit nose of the teddy bears. She is smiling and pick the rubber hair bands from her hair, hand, legs and tries to create something. The rubber hair bands are join together and it resembles the teddy bear. Amira takes some white paper, a pair of scissors and color pencils. She draws an eyes shaped and color it on black. Amira cuts and pastes the eyes of the teddy bear. Amira happily picks up the teddy bear which she creates.</p>
