Title: Chocolate

Serial Number : 1.17_ IBA _Script

01:00:05- We've already played all our games drawn everything there is to draw and I'm about to finish my book.

01:00:13- What can I do with Guy until my mum gets back?

01:00:18- We are even out of chocolate. What can we do?

01:00:24- I know, I want to be a princess. The princess of chocolate!

01:00:47- Abracadabra.....

01:00:52- Welcome to the magical Children's Kingdom IT is a chocolate factory. The dream of every child.

01:01:00- The dream of every Chocolate princess!

01:01:08- All these people work in this factory to make chocolate.

01:01:13- Look at all these chocolate, even chocolate hearts!

01:01:20- Even a chocolate princess doesn't dream about a chocolate fountain that flows endlessly

01:01:29- But here in my kingdom everything is made out of chocolate!

01:01:36- Do you know how all this chocolate is manufactured?

01:01:40- Chocolate is made from cocoa beans grown in the faraway country of Brazil

01:01:48- After drying out in the Brazilian sun they are sent to Israel and are turned here into a wonderful chocolate liquid.

01:02:01- The brown liquid chocolate is then cooled in huge refrigerators and becomes solid. Chocolate comes in different flavors and different shapes, to your heart's desire.

01:02:15- Here at the chocolate factory the specialty is the "cow chocolate" The beloved cow image is imprinted on the chocolate itself.

01:02:28- Was it good? Was it good? Was it sweet?

01:02:43- Always remember- princesses and magic kingdoms don't exist only in fairy tales.

01:02:50- Enjoy!
