1.23 HOW TO MAKE A TOY HORSE

01:06 Every little boy dreams to be Prince Charming,

01:10 to have a castle, an imposing helmet and a flying horse...

01:16 We have to fix this problem.

01:22 In the carpenter's shop, the wood pieces are about to become a magic horse.

01:28 First they make the saddle

01:58 The legs are glued to the saddle.

02:21 The head and neck are being polished.

02:34 Although it looks like a puzzle, some talented hands know how to put all the pieces together to make a horse.

03:00 All he needs now is some harness and a back to lean against.

03:11 A bit of lacquer to make it shine

03:17 Our little knight is now ready for any battle.
