

Special Dinner

Scene time code	Narration
	<p>Hi this is Alex</p> <p>It is the school holidays and he likes to make himself a little busy around the house.</p> <p>So today he is going to prepare a special meal.</p> <p>A little kerosene is needed to get the charcoal stove going.</p> <p>Now that he has the fire going nicely time to fetch the water.</p> <p>Once the fire is nicely lit, time to boil the meat with the charcoal stove.</p> <p>What ever he is cooking the cows do not seem to be very impressed.</p> <p>Best place stone over the lid, you cannot be to careful theses days!</p> <p>While the stew is boiling away Alex likes to help around the garden.</p> <p>Time to checkout our stew.</p> <p>Nope still not ready yet.</p> <p>As any decent gardener knows work around the garden never seizes.</p> <p>There our stew is getting along quiet nicely now,</p> <p>time to spice it up with some fish meal, very nutritious I hear.</p> <p>It looks like lunch is ready and it is time to serve up Alex's speciality of the day.</p> <p>Well whatever it is at least the pup seems to like it.</p> <p>Time to meet our luncheon guests.</p> <p>Dinner is served.</p> <p>It is Alexis dogs Simba ,Chui and their little pups.</p> <p>The way they are eating I think they have given the chef full marks.</p>
