

## HOW TO MAKE A KITE – JAPANESE STYLE

<b>CAT 1 – HOW THINGS ARE MADE</b>	
<b>TITLE: KITE MAKING</b>	
09:58:30:01 09:58:37:22	CAN YOU FIGURE OUT WHAT THESE CHILDREN ARE DOING? THEY SEEM TO BE DOING A LOT OF ART AND CRAFT WORK BUT FOR WHAT PURPOSE
09:58:43:06  09:58:57:02	THIS ONE IS COLOURING A VERY NICE DRAWING  AND SO IS THIS ONE  THEY ARE USING BRIGHT COLOURS AS WELL AND ALL THEIR PAPERS SEEM TO BE THE SAME SIZE.
09:59:01:13 09:59:05:01	THE DRAWINGS ALSO LOOK VERY SIMILAR, I WONDER WHY?
09:59:07:15 09:59:28:20	SOME OF THEM HAVE FINISHED COLOURING AND ARE NOW BEING SHOWN HOW TO ATTACH SOME STICKS ONTO THEIR SHEETS OF PAPER. FIRST, THE STICKS ARE STUCK AT THE MIDDLE OF THE SHEETS OF PAPER USING CELLOTAPE. THEN, OTHER STICKS ARE BENT AND STUCK ON THE UPPER AND LOWER SIDES OF THE DRAWINGS IN THE SAME WAY.
09:59:37:01 09:59:39:07	THEN A PIECE OF STRING IS ADDED...
09:59:59:04 10:00:18:01	HEY! WAIT A MINUTE, HAVE A LOOK AT THIS SETTING THEY ARE SO MANY KITES AROUND. AAAH! THEY ARE MAKING KITES.  NOW I SEE WHY THEY NEEDED TO COLOUR AND ADD THE STICKS AND PIECES OF STRING TO THEIR BRIGHTLY COLOURED SHEETS OF PAPER.
