

**THREE ANIMAL STORIES:**

**No. 2 – YOUNG ONES**

33:13 Children and young animals get on really well. Mother Mare knows that.

But she also knows that her foal needs to learn how to run. So, off we go!

33:25 There...

33:28 Keep your pace!

34:00 Children, exhausted from running, are playing with the foal's friendly father, who doesn't feel like running today.

34:17 And neither do the cow and her young calf. Mother Cow needs to teach him something totally different.

34:25 This father also likes to take care of his son. He'll teach him a special skill.

34:59 What's all this now? These people are crazy!

35:03 The boy isn't taking any notice of the cow's remarks. Everyone has their own pleasures. He and his father take pleasure in speed.

35:30 Not all are like Mother Cow, teaching her young calf all day long: you have to chew the cud really well. Look at me. That's it... yum... yum...  
yummy...
