2.19 Fien plants bulbs with grandma

00:31:04 Fien plants bulbs with grandma

00:32:16 That's a nice big one

00:32:21 ...or that coloured one, how about that one

00:32:27 two of a kind

00:32:34 Shall we choose this one? See, that's how they go into the pot. Nice isn't it?

00:32:54 Grandma, do you want to cut it?

00:32:55 No love, you may do it all by yourself. Throw it all in, with handsfull

00:33:25 That doesn't care, I have dirty hands as well. For that we have lots of water

00:33:32 *they are chattering about the bulbs*
This is a big one

00:33:34 *Fien is singing a made-up song about the bulbs who are sleeping and have to wake up.*

00:34:02 Go and find a nice place for them

00:34:07 there's still one above the surface

00:34:19 that's a heavy one... put him there
