

## LITTLE BIRD LOVERS

5.22

4.25 – 4.48

Meet Claudia and Andrei, two brothers who live with their parents in a farm. They love birds very much and take care of them every day. They are not very good in the kitchen, but everybody should know how to make a salad.

5.12 – 5.32

When the weather is warm enough, they do their homework in the garden, but there are too many temptations...

5.32 – 5.49

So they soon abandon the homework and start to play.

5.49 – 6.00

But not for too long. The parrots are waiting for their friends to tell their every day story.

6.26 – 6.38

Claudia and Andrei take good care of them: seeds and carrots for the elder ones, pieces of apples for the vivacious ones and warmth for the chicks.

7.03 – 7.08

When everything is all right here, it's time to go to the birds outside.

7.16 – 7.27

The peacocks try to impress their hens.

7.27 – 7.31

It looks like they haven't done a very good job.

7.50 – 7.52

What is this swan doing here ?

7.58 – 8.00

That's it. Now everything is OK.

8.16 – 8.30

Let's see how the pigeons are. The kids love them the most. That's where our friends spend most of their time. Every pigeon tries to get their attention.

8.52 – 8.57

It's almost night. The two tekels want to play, too.

9.25 – 9.35

It's time to say goodbye to the inhabitants of this farm. Tomorrow, for the little bird lovers it's a new day of work.
