

00:11:31	<i>The cock crows....</i> <i>['Cock-a-doodle-doo']</i>
00:11:34	<i>...for us that means that it's time to get up!</i>
00:11:38	<i>Actually, the cock isn't trying to tell us to get up....</i> <i>KB: shakes GB awake 'GET UP'....</i>
00:11:42	<i>He wants to let the chickens know that he's the boss!</i>
00:11:45	<i>Just like this gorilla... which he does by beating his chest...</i>
00:11:51	<i>Grown-ups like to play the boss too....</i>
00:11:59	<i>Lions like nothing better than being lord and master over their territory.</i> <i>They mark it out by scratching the bark of trees...</i>
00:12:07	<i>...or by spreading their scent...</i>
00:12:15	<i>Animals often fight among themselves. The strongest wins and becomes the leader...!</i>
00:12:21	<i>And if you're not very big</i>
00:12:23	<i>...then you have to act as if you are bigger and more dangerous...</i>
	<i>....than you actually are...</i>
00:12:31	<i>But sometimes even large animals get scared. These elephants are very uneasy. They start trumpeting very loudly....</i>
00:12:37	<i>.....because they're scared of awful noises....</i>
00:12:45	<i>Animals like to make their presence felt and impress by making sounds.</i> <i>Like the croaking of a male frog, for instance...</i>
00:12:52	<i>.... just like a real windbag he tries to entice females...</i>
00:13:02	<i>A peacock however does it by displaying its beautiful fan of feathers....</i>
00:13:09	<i>... and this handsome prince puts on his own display on his white horse...</i>
00:13:15	<i>Once they've reeled in their catch.... It's time for a cuddle....</i>
00:13:19	<i>and a few kisses.....</i>
