GPS CUATRO CIÉNEGAS	Time in	Time out
Locators on, at 27 degrees north and 102 degrees west where you find a cool place.	1:02:12:00	1:02:20:00
This is Cuatro Ciénegas, a natural oasis in the midst of the Coahuila Desert.	1:02:21:00	1:02:26:00
Cuatro Ciénegas is a valley with hundreds of crystalline ponds where many plants and animals like tortoises, deer and roadrunners live.	1:02:27:00	1:02:35:00
Some of these species have lived for thousands of years and now they are facing extinction.	1:02:36:00	1:02:41:00
This is why Cuatro Ciénegas is a protected area where you can enjoy resorts, nearby beaches and of course visit the ponds and get pleasure from the amazing and unique scenery the dessert offers.	1:02:42:00	1:02:54:00
A wonder of the world revealed in Mexico.	1:02:55:00	1:02:59:00
