

Sara doesn't like winter

00:02	This is Sara. She's sad.
00:06	It's really cold this morning.
00:10	Sara doesn't like winter.
00:15	It makes her so sad.
00:20	In winter Sara has a thick coat. To protect her against the cold.
00:30	Whenever Sara sees me, she's excited. She nuzzles me when she says hello.
00:36	It tickles.
00:40	Her coat is soft all over.
00:50	Except for her mane, which feels all bristly.
00:56	And the hair on her tail is really thick and hard.
01:10	Whenever Sara's sad I give her a good brushing.
01:14	She keeps absolutely still.
01:27	Because she likes it.
01:36	She really enjoys it when I brush her all over.
01:42	And all the dirt disappears.
01:47	And when I'm done, she's all shiny.
01:57	The brush is covered with hair.
02:02	It's all from her winter coat.
02:08	What I enjoy most is cleaning the dust out of the brush.
02:13	All this dirt has been in Sara's coat!
02:20	And now she can let off steam.
02:34	Look, she's not sad anymore.
02:45	She's even jumping for joy.
02:55	I'm so glad you're happy now, Sara!
