

Johnny and the ducks

00:01	This is Johnny. He's a billy goat.
00:08	He's cute
00:12	and he tickles me with his tongue.
00:18	I'm Paula. I spend a lot of time in the barn.
00:24	With Johnny – and the ducks.
00:30	They share the barn.
00:36	Hi, Johnny. Are you pleased I've come to see you?
00:45	Of course I am. I've brought you something. Some tasty bread.
00:53	Hey, don't be so greedy.
01:08	Johnny's coat is very soft.
01:13	Look, you can still see the impression of my hand.
01:18	That's how soft it is.
01:28	The ducks spend most of their time down below. This is their favourite spot.
01:34	And Johnny likes to stay upstairs.
01:48	I think Johnny loves the ducks.
01:55	When I want to play with him outside
01:59	it's hard to get him to come with me.
02:07	And the ducks get all worked up when Johnny leaves.
02:20	Johnny doesn't really like playing.
02:34	Hey, where are you going?
03:02	Oh, there you are. With your ducks!
