

	<p><b><i>Hi. My name is Fire.</i></b></p> <p>00:02 Hi. My name is Fire. I'm namely a cat.</p> <p>Or rather a kitten. Soon I'll be a handsome cat.</p> <p>00:12 Do you see how I'm red-haired and fine?</p> <p>I'm called Fire because of my red fur.</p> <p>00:30 I have four paws, two ears, nose,</p> <p>mouth and rather a long tail.</p> <p>00:43 My mom told me I was a Norwegian forest cat.</p> <p>It is definitely very cool</p> <p>but I don't really understand how that can be.</p> <p>Maybe it's because I'm not quite grown-up enough</p> <p>to understand all this. Namely, I live in Iceland</p> <p>and my parents have always lived there.</p> <p>Yet, my mom says that my species</p>
--	--

<p>01:20</p>	<p>is called Norwegian forest cats.</p> <p>I almost understand this completely</p> <p>but I know I'm not of the same species</p> <p>like the people where I live now.</p> <p>The people are nice to me and give me good food.</p> <p>The children play a lot with me.</p> <p>They better do so because I'm a very wild cat.</p>
<p>01:32</p>	<p>You see? I caught it.</p> <p>It's not a real mouse but a fake mouse</p> <p>for a kitten like me,</p> <p>kitten that needs a lot of movement and action.</p>
<p>01:49</p>	<p>You must excuse me for a while</p> <p>but I have to take a nap, sleep for a while.</p> <p>Kittens get very tired of playing</p> <p>and I'm quite sleepy and tired.</p> <p>This is nice. I can sleep here during the day</p>

<p>02:07</p>	<p>and during the night I sleep in the basket.</p> <p>When kittens wake up, we're often very hungry.</p> <p>When we've played a lot we also become thirsty.</p>
<p>02:27</p>	<p>I'm only three months old</p> <p>and a few days ago I moved away from my mother,</p> <p>my sister and my brother.</p> <p>It was very sad and difficult at first,</p> <p>especially being away from my mother.</p> <p>She was so nice to me and nobody is softer and better than her.</p> <p>Yet I can always get into the arms of the people and they're always so nice to me.</p>
<p>02:48</p>	<p>Don't be in the way, I need to play.</p> <p>See that.</p> <p>And that.</p>
<p>03:04</p>	<p>Then I get hungry again.</p> <p>Then there's only one</p>

<p>03:15</p>	<p>thing to do; eat, of course.</p> <p>Hey, can a kitten never get any privacy?</p> <p>We also need to go to the toilet.</p> <p>Yes, it's a sand in a box.</p> <p>I'm only a kitten and I cannot use an ordinary toilet.</p> <p>I would only fall in and not everybody</p> <p>would be very happy with me.</p>
<p>03:33</p>	<p>Of course I need to clean myself like other cats.</p> <p>We spend a lot of our life time</p> <p>in keeping ourselves clean.</p>
<p>03:53</p>	<p>I've never been out of the house</p> <p>except when I was moved to my new home.</p> <p>Then I went in a car, a strange and horrible machine.</p> <p>Sometimes I want to take a look at the world.</p> <p>There'll definitely be a lot of time for that</p> <p>when I get a bit older and wiser.</p>
<p>04:08</p>	<p>Until then I have to</p>

04:22	take a nap, play more and eat some food. Then it's likely I become a handsome Norwegian forest cat. I say goodbye for now. Now it's yet another nap time for a kitten that is almost grown-up.
