And they set off for a disco

(BUS TRAVELLING SEQUENCE.
IT ARRIVES.)

And then they arrived

She was standing next to a big door.
There was a sign saying "The Glitterball
Disco".

"Hello", said an enormous man. "I'm Al".
"Do you want to go to the disco?"

"Yes please. I'm Blue Cow".

"You'll need these then", and he opened
a big trunk and gave her:

Four red glittery very high heeled shoes

A glittery disco wig

And some lovely red sparkling lipstick.

"You look fantastic", said Al.

"Moo, thank you", blushed Blue Cow and she tottered into the disco.

It was brilliant. In the middle of the room was a huge glittery ball going round and round to the music. It looked like there was glitter everywhere. Lots of different animals were dancing in sparkly outfits.

"Would you like to danssss?" said a snake. He was wearing a glittery top hat and a sparkling bow tie.

"I'd love to".

But when Blue Cow tried to dance her shoes were so high that she wobbled to the left

"Moo-oops".

And then she wobbled to the right.

"Moo-er"

"What a wonderful danssss" said the snake joining in with Blue Cow.

And they wiggled and wobbled together.

Soon everyone was dancing like Blue Cow.

"Moo-er! Time to go home now. Bye everyone".

"Bye", they shouted and carried on dancing.

"Did you like the disco Blue Cow?"

"I loved it", she said taking her shoes off.

"But I think next time I'd like some slightly lower shoes".

BUS BACK

"You'll never guess where I've been!"

"Where HAVE you been?"

"I have been to a glittery disco and

	<p>danced the night away”</p> <p>“Everyone knows that cows can’t go to discos.”</p> <p>But we know they can, don’t we?</p>
