

Please be with me mom

Video shape: There is a small nice Mongolian ger /yurt/ in the clean fence of the yurt micro district. Morning is coming and mother and son come out of house. Near the yurt mother gave one hundred tugrugs to her son.

Mother: My son buy some candy. Bye!

Video shape: Son stays with old woman /neighbour/ and plays by shagai /sheep's bone/. At this time mother is very busy at work. Whole day son plays with children, come to come and watch television. Also he reads a book. While he saw the clock it was 19 o'clock. Son went to bus station and waited for his mother. But his mother did not come. While he return home he saw another woman as his mother. So he went home and sat on the door and waited for his mother again. Mother comes home very late. When her son saw his mother called " Mom" and run to his mother.

Tomorrow morning when son and mother were having breakfast son asked, " Mom how much do you earn in one hour?"

Mother: "It does not matter!" "Let's go my son"

They went to neighbour's yurt and mother gave money to her son which she gives everyday. Son saw his mother with sad eyes and come into the yurt.

Video shape: Whole day son plays with children and his mother very busy at the work as usual. In the evening son waiting for his mother standing in the fence. Son is going to bed to sleep. He looks at the photo. On this photo he is with his father and mother. And then he takes the collected money, counts it and looked at the watch. It was 22 o'clock in the evening. Suddenly he slept.

While he wakes up in the morning his mother is combing her hair. The son woke up quickly and took the collected money and said:

" Mom are you going to work?"

Mother: Yes, my son

Son: I would like to buy one hour of your workday by this money"

Mother well understood her son and embraced her son.
