

BLUE COW**"Blue Cow and the board game" – Voiceover version****By Simon Brown**

TIME CODE:	NARRATOR
10:26:37	In a field not far away is a herd of cows grazing quietly.
10:26:43	One of the cows is most unusual. Blue Cow wonders. Wonders about the big world beyond her field.
10:26:51	One day Blue Cow was looking at the house near her field and noticed that the window was square.
10:26:56	"I wonder what it would be like to go somewhere full of squares."
10:27:00	"She's off again," said the other cows.
10:27:03	So Blue Cow caught the bus that stops beside her field.
10:27:07	"I'd like a ticket to a place where there are lots of squares, please."

10:27:10	"There you go madam – hold very tight." <i>(SFX: Ding-Ding!)</i>
10:27:13	And they set off for a board game.
10:27:14	(Sequence of bus driving. It arrives on a huge board with black and white squares.)
10:27:32	And then they arrived.
10:27:34	Blue Cow was surrounded by lots of little people. On one side they all wore white clothes and on the other they wore black. They were all standing on black and white squares.
10:27:44	A man walked up to Blue Cow, stepping carefully from square to square. He had white robes and a huge white crown on his head.
10:27:53	<i>(Posh)</i> "Excuse me, you haven't by any chance seen the White Queen have you?"

10:27:57	"Er, no I haven't," said Blue Cow. "I'm Blue Cow."
10:28:01	"Oh dear. I'm the White King, and I seem to have lost my Queen."
10:28:06	"We can't start our game without the White Queen," said one of the black pieces, who had a castle-shaped head.
10:28:13	"Er, maybe I can be the White Queen for a bit?" suggested Blue Cow.
10:28:18	"Well, I don't know," said the White King. "You're Blue."
10:28:22	"Get her to put on the white crown," squeaked one of the smaller pieces.
10:28:26	So Blue Cow put on the white crown and they started the game.
10:28:31	"Er, what are we playing?" asked Blue Cow, as the pieces started to move.
10:28:35	"It's a game called chess. Don't worry, I'll

	tell you what to do," said the King.
10:28:41	Blue Cow moved all over the board. Sometimes she even knocked some of the black pieces out of the game!
10:28:47	"Ooh, this is fun," said Blue Cow.
10:28:50	"Yoo hoo, I'm back," shrilled a voice. It was the White Queen.
10:28:55	"Well then, where have you been?" asked the king. "Blue Cow here had to stand in for you."
10:29:02	"Sorry," said the White Queen, "and thank you Blue Cow."
10:29:06	"Ooh you're welcome, your Majesty."
10:29:10	(Bus back)
10:29:15	"You'll never guess where I've been?"
10:29:17	"Where HAVE you been?" (<i>One cow</i>)

10:29:19	"I have been to a place covered in squares and played chess."
10:29:23	"Everyone knows that cows can't play chess."
10:29:27	But we know they can, don't we?
