

Charlie Chaplin

- 00:01:00 There are all kinds of moviestars. There are beautiful moviestars, strong moviestars, barking moviestars, sad moviestars and funny moviestars.
- 00:01:17 But nobody was as funny as Charlie Chaplin. He was one of the most famous stars in the age of the silent movies.
- 00:01:26 Silent movies didn't have voices and sound effects. An orchestra in the theatre played during the movie.
- 00:01:36 Chaplin was born in England – into a family of actors. They were poor. They were so poor that all of them had to share one pair of shoes.
- 00:02:01 And when his father died, Charlie had to make money by singing and dancing.
- 00:02:08 He dreamed about becoming famous.
- 00:02:12 At the age of nine he joined a travelling group of actors. They travelled as far as The United States.
- 00:02:25 There they met a director who thought Charlie was very talented. Mack Senneth wanted Chaplin in his movies. And Charlie moved to the USA.
- 00:02:36 Mack thought that if Chaplin was to become really funny he needed different clothes. So Chaplin got a new hat, trousers that were too big, a jacket that was too small, a moustache and, as a finishing touch, a walking stick.
- Now meet the new Charlie Chaplin.
- 00:03:03 And people loved it. They laughed so hard they almost wet their pants.
- 00:03:10 Charlie became rich and famous and made a lot of movies.
- 00:03:20 The movies were often about people who weren't so well off. Chaplin loved the poor and helpless. And he was also a bit naughty.
- 00:03:39 Charlie became very popular with the girls. He ended up marrying four times. And all in all he had eleven children.
- 00:03:53 Then the movies got sound. And Chaplin could make even funnier movies. He was more popular than ever.
- 00:04:04 But not everyone liked him. People in the American government didn't. And they threw him out of the country. So he moved to Switzerland.
- 00:04:13 But soon after, he won a lot of awards for acting and directing -
- 00:04:23 and then the Americans wanted him back. But Charlie didn't want to, he stayed in Switzerland until he died.
- 00:04:35 Charlie Chaplins movies have made a lot of people happy. And many will remember him as the little guy walking into the sunset in his own special way.
