

JUDY GARLAND

- 00:12:00 This is Judy Garland. When she sang it was as though the whole world came to a complete halt. She became famous already as a child, and got parts in several movies.
- 00:12:21 Judy grew up with her family in the USA. They owned a theatre, and Judy loved to be there.
- 00:12:31 At the age of two, she charmed a big audience by singing Jingle Bells. She didn't want to stop singing. In the end they had to carry her off stage.
- 00:12:59 Judy and her sisters travelled around singing and dancing. Her mother played the piano. But the audience just wanted to listen to Judy, because she had such a wonderful voice.
Her sisters grew very envious.
- 00:13:19 Her mother wanted Judy to become a real star. So she taught her to play different instruments. And Judy liked it a lot. She could make as much noise as she wanted..
- 00:13:35 Judy also took singing lessons. She had to sing with a pencil clenched between her teeth. It was rather stupid, Judy thought.
- 00:13:54 Judy became known as the little girl with the big voice, and her songs were played on the radio.
- 00:14:04 By the age of 13, she started to act in the movies. Many people remember her from the movie "The Wizard of Oz".
- 00:14:14 She spellbound the audiences, and continued to do so through an enormous number of motion pictures.
- 00:14:29 Judy became world-famous, and won a lot of awards. She got married, and had three children. But she didn't have much time for them, as she was working all the time.
- 00:14:44 Judy may have seemed happy in all her movies, but she really wasn't. She worked far too much.
She participated in tv-shows, movies, made records and did a lot of other things.
- 00:14:58 And she felt that everyone was nagging her.
- 00:15:01 That was why she started to behave badly. She didnt want to do the things she was told, and then she started to become ill.
- 00:15:16 Judy did not live to be old. She didntn't take care of herself, and she worked too hard.
- 00:15:24 Life can be difficult when you are a superstar.
