

The Beatles

00:16:04	This is the Beatles, maybe the most popular band of all times.
00:16:13	The members of the Group were: the nice guy- Paul Mc Cartney, the cheeky Johm Lennon, the mysterious George Harrison- and Ringo Starr. He had a ring on almost every finger.
00:16:33	Jon, Paul, George and Ringo came from Liverpool in England. They didn't have a lot of money so they had to save up before they could afford to buy instruments.
00:16:52	In the beginning they had gigs in small clubs, while they were dreaming about releasing a record. But they needed a new image.
00:17:06	So they got suits and ties and looked rather handsome. And then they released their first record.
00:17:14	And then; ta-da, they became immensely popular. Everywere they went, they were haunted by girls.
00:17:25	Then they left for the USA because they were to perform in a Tv- show. They were recieved as heroes.
00:17:37	And the first time they went on Tv in the USA it was as though the whole country came to a still. Everyone wanted to watch the Beatles. The thiefs even forgot to steal.
00:17:52	Almost all the girls in the world dreamed about The Beattles. They were madly in love with them.
00:17:58	At the conserts they screamed so loud that it was almost impossible to hear what the boys sang.
00:18:13	Even the Queen of England was impressed. She gave them an award because they were some popular.
00:18:22	The boys released a lot of records. And as time went by their hair got longer and they gerw beards and moustache.
00:18:33	And they became very concerned about peace and love.
00:18:41	Then John met an artist named Yoko Ono and became madly in love.
00:18:51	He wanted her to be a part of everything.
00:18:55	But the other boys in the band said no. So they started to quarrel. At the end they decided that they were incapable of continuing.

00:19:12	The fans cried.
00:19:16	But John, Paul, George and Ringo continued to be good friends.
00:19:22	And the Beatles is still one of the most popular bands that ever has existed.
