

## Moses

10:16:13:00 – 10:19:58:00

Dur: 3:55

16:13 This is the story about Israeli, Moses. He lived in Egypt several thousand years ago.

16:20 The king of Egypt – the farao – was a very evil man. He was cruel to the Israelis. He used them as slaves and was not kind to the children.

16:33 Moses' mother did not want the Farao to hurt her son – so one evening she placed baby Moses in a basket on the river. And let the current set him adrift. She hoped someone kind would find him and look after him for her.

16:51 And just guess who found him?  
The Farao's daughter – the princess of Egypt!  
She decided to look after him.

17:04 Moses was raised like an Egyptian prince. But really he was an Israeli and should have been a slave.

17:18 It was painful for Moses to watch the whipping of slaves.  
One time he got so angry that he punched the soldier.  
But then he had to run away from the Farao.

17:30 Moses became a shepard in the desert.

One day a bush just burst into flame!  
And he heard a voice.....

17:42 **Go back to Egypt and free your people from the evil Farao – I will be with you.....**

It was the voice of God.

17:50 Moses was frightened – but he went.

17:56 And he managed to lead his people out of Egypt.

18:09 They were all happy – because God had promised them a new, wonderful land to live in.

18:27 But there was little food in the desert and the people began to complain.  
Moses talked to God about it – and God told him to touch the mountain with his staff – and water would come out.

18:39 Moses did as told and the water poured out.

- 18:52      And the people ate and drank.
- But the people continued complaining.....  
              So Moses talked to God again.
- 19:01      And God gave him the ten commandments on two stone tablets.
- 19:24      These ten rules should help the people become better and kinder.
- And imagine: These ten rules are still in use today.
- 19:37      But the Israelis continued to complain – and didn't care about the ten  
              commandments.  
              So they never reached the promised land.
- 19:49      But Moses saw the promised land before he died – a very old and happy man.  
              And to this day we remember this brave man.
