

1:08:06 Wow!

1:08:12 I'm Lovro. I spend every moment I have at the airfield, so all the pilots know me by now.

1:08:22 This is the pilot, Mark. He's probably going to get the plane ready for flight.

1:08:31 What a beautiful, big bird this is. There are many more on this airfield, and I've looked at each and every one of them from the outside.

1:08:42 I only know how to make a paper plane, but I'd love to fly in a real one.

1:09:01 I am not allowed to go into the hangar... But if no one's there... maybe I could look around a bit... it'll be all right.

1:09:24 Now I've made Mark angry. I'm coming out. I'm coming.

1:09:36 He can fly every day.

1:09:42 But Mark tells me that aeroplanes are not toys. Not like my paper plane.

1:09:50 Hmm... The door is open...

1:10:00 I'll just take a peek.

1:10:08 He can't see me.

1:10:54 Oh dear! ...Now I'll be banned from the airfield.

1:11:12 What is it?

1:11:14 Ah, I've forgotten my toy plane.

1:11:18 Maybe he'll show me something.

1:11:42 What? We're going to fly for real!

1:11:57 Hooray! We're airborne.

1:12:05 My biggest wish has come true.

1:12:31 Wow! Flying is even greater than I imagined.

1:12:38 Now I won't be sneaking around the planes anymore.

1:12:43 Hooray! I'm going to be a pilot! I'm going to fly like a bird!
