Once upon a time, there was a town which was full of green trees and colorful flowers and this town was also setup with the houses that children had dreamed and draw...

This town was lively because its inhabitants were respectful, tolerant and full of love.

But there was a big danger nearby this town waiting for to destroy the harmony in this lovely town and attract the children. This danger was a junk yard which contained various kinds of increasing microbes.

Garbageland's king 'Kingus' ordered that some of children's houses had to be stolen and a likely place must have been built up in Garbageland. Grand Vizier 'Chewing-Gumous' was trying to attract children to Garbageland with lots of tricks. He was so successful that all microbes including Kingus were fooled with those lies .

## **Chewing-gumus:**

06:52 You, microbes, listen up  
  
It is a special day  
Dont be taken in  
Look what I have brought

07:01 Here you are the legend  
Comes step by step  
That's what you call a bus  
It is unique this autobus

07:11 Its imposing advertisements  
The air condition from the top  
The front wheels are well-cared  
To disregard the back ones

07:22 Is special this cylinder  
It is made for asphalt  
You cannot find anywhere else  
Such a great cylinder

07:32 A flower from outside  
No one sees the inside  
If it is not dirty and faded  
It will be overlooked

## **KINGUS:**

07:43 Amazing Chewing Gumus  
Where did you find this bus  
You did not made it produce  
In desert, there is no ice

**Chewing-gumus:**

07:53 Sir, our friends are  
Double cheese rich toast  
If you ask me who did it  
Its your talented slave most

**KINGUS:**

08:03 Well done Chewing Gumus  
Inform everybody urgently  
Let's present to children  
The power of Grabageland

08:12 All microbes in series  
Will get into the bus  
Everyday at least once  
Will travel with grins  
First, a group gets in  
The others push the bus  
As comes weariness  
Who pushes then gets in

08:29 That they say all Girs girs  
That is how the motor thunders  
As the bus stops  
One of them says piss

**Chewing-gumus:**

08:42 My sir is a real genious  
Did not say the bus is old  
Producing the motor's voice  
Made a joke... My Lord!
