

I Am

Duration: 1:00'

Of love I am
What you hold inside
That didn't go away
That will be born

Give a name to me
Cause I want to be
The voice of love
That you'll soon hear
When at last I cry
With my first breath

Without a name I am nothing

I am

Juan, María, Pedro...

"So that when they grow up
they have rights...
We must register them"

I am all the love that
You deserve
