

I Want to be Cared For

Duration: 1:13'

Look at me
I am fragile

Do not mistreat me
Do not hit me again
Let me feel
We can be friends

I feel what you feel
Look at me in the eye
I am just like you
Treat me like a child

If you show me love
We feel no more pain

CHILDREN'S CHOIR

Treat me like a child
If you show me love
