

## I Want to Play

Duration: 1:15'

I can go up  
I can come down  
I can carry  
I can take  
I can come and go as I please

I can produce  
I can take things apart  
I can build  
I can load  
I can hammer  
I can trim

I can create  
I can create ...

And I want to grow up playing  
When I'm playing, I learn  
When I'm playing, I invent  
Using what I have

I create while I play!

When I'm playing, I feel  
When I'm playing, I want

Play!

I love to have a good time playing

Happily!

When I'm playing, I want  
When I'm playing, I can  
When I'm playing, I grow  
When I'm playing, I learn

I'm playing, here I go...

I want to play!

With my friends  
I dream when I'm playing  
When I'm playing, I feel  
When I'm playing, I want

Playing!

Happily playing!
