The Violin Player	Time in	Time out
My name is Alejandra Lee, I am 11 years old and I play the violin.	01:06:19	01:06:22
The parts of a violin are:	01:06:25	01:06:26
Fingerboard, bridge, bow...		
...and tuning pegs to tune the strings.	01:06:27	01:06:33
G, D, A and E.	01:06:33	01:06:37
In an orchestra there are several sections.	01:06:41	01:06:42
First violins section, second violins section...		
...violas, cellos and everything else.	01:06:43	01:06:48
The conductor leads you, gives the beat.	01:06:54	01:06:54
And you have to follow him always.	01:06:58	01:07:01
When I play at Bellas Artes...		
...I think the people in the audience watching...		
are like lettuces.		
There are so many.	01:07:04	01:07:14
On some melodies, the composer was angry, or in love.	01:07:15	01:07:21
That is what you need to feel.	01:07:21	01:07:22
When I perform at concerts, I feel very excited...		
...because it's something I like to do...		
...and have practiced for people to watch.	01:07:25	01:07:32
I'd like for more kids to play the violin.	01:07:34	01:07:35
Play and be yourself. Once Niños.	01:07:39	01:07:41
