07:25	What is this
07:26	A really strange shape
07:29	OK. I know, this is a puzzle piece
07:34	Look it is changing shape
07:36	Let's see what it will be
07:38	Look, a chair
07:41	Now a different puzzle piece
07:43	What it will be
07:45	Aaaa! A lamb
07:51	And a new puzzle piece
07:55	Yes, the sun.
08:01	The puzzle piece is changing transforming
08:04	And it turned into a house
08:09	And what will this puzzle piece turn into?
08:12	A telephone
08:18	Look and it turned into a vase
08:26	All the pieces are coming together and becoming a big Picture
08:32	A vase on the house, a telephone on the table, a lamb on the chair.
08:41	Look at the telephone cable. It's stretching to the sun
08:45	Look, it is ringing
08:47	Hello, who is calling?
