

## UNFAIR

### So unfair Esther and Pontus

00:07:56:13-00:08:02:24      Lucky birds. They can fly.

00:08:03:03-00:08:06:22      It's so unfair!

00:08:18:23-00:08:24:18      Pontus knows someone  
who can fly in real life!

00:08:24:22-00:08:27:03      Steve.

00:08:32:03-00:08:36:16      All the way down are the oxygen masks,  
which appear automatically if needed.

00:08:36:20-00:08:41:23      - Please fasten your seatbelts.  
- I already have!

00:09:01:11-00:09:08:04      Imagine what it would be like  
to really fly! Like the birds!

00:09:11:05-00:09:14:04      Look how small the buildings are!

00:09:14:08-00:09:17:06      Far, far below.

00:09:17:22-00:09:22:17      Imagine what it would be like  
to fly wherever you wanted to.

00:09:43:20-00:09:48:23      - There!  
- We've arrived!

00:09:50:10-00:09:54:24      Everyone must leave the plane!

00:10:06:14-00:10:10:10      Up in the air,  
there are clouds

00:10:10:14-00:10:13:03      But I can't fly

00:10:13:07-00:10:16:09,11      But I put on my wings

00:10:16:13-00:10:21:09      And jump into the air

00:10:21:13-00:10:24:03      I'm free as a bird

00:10:24:07-00:10:29:12      Free as a bird  
free as a bird...

00:10:33:10-00:10:37:20      It was great flying around in the air.

00:10:37:24-00:10:43:13      But it's even better  
down on the ground.

00:10:45:05-00:10:51:13      Ha ha! You can't have any ice cream!  
Ha ha! The ice cream's all for me!

00:10:53:00-00:11:01:21      Poor birds! They can never come  
down to the ground and eat ice cream!

00:11:02:00-00:11:05:00      It's so unfair!

:13:10-00:28:16:06

It's unfair, isn't it?
