

## **UNFAIR**

### So unfair Sophia

00:12:45:09-00:12:47:05           Come on...!

00:12:56:03-00:12:59:23           Why do you get to dance first?

00:13:00:02-00:13:03:11           - It's so unfair!  
                                      - Isn't it?

00:13:09:12-00:13:15:23           My friends think it's unfair  
                                      that I dance so well.

00:13:16:02-00:13:18:19           My mum's the dancing teacher.

00:13:23:18-00:13:26:14           I get to dance at the front.

00:13:34:01-00:13:38:05           We're going  
                                      to put on a big dance show.

00:13:39:23-00:13:43:15           There'll be so many people there!

00:13:50:24-00:13:53:18           I'm nervous!

00:14:31:10-00:14:33:21           What if I fall over?

00:14:34:00-00:14:39:00           It's worst for me.

00:14:39:04-00:14:42:01           I'm dancing at the front!

00:14:44:05-00:14:46:04           It's unfair.

  

00:15:01:23-00:15:09:22           - We're not number 1. We're number 7.  
                                      - Number 7?

00:15:10:01-00:15:14:14           - Great!  
                                      - At last!

00:16:03:09-00:16:05:18           What if I make a mistake?

00:16:58:15-00:17:04:23           What fun that was!  
                                      Just as much fun for everyone!

00:17:05:02-00:17:07:02           It is fair.
