

UNFAIR

So unfair Jonna!

00:18:31:00-00:18:36:17 My name's Jonna. I've moved
into a new house. A cat lives here.

00:18:40:23-00:18:48:11 It's not an easy life, I can tell you.
Because it's so unfair!

00:19:02:10-00:19:06:13 The cat can eat when it wants.
Not even I can do that...

00:19:06:17-00:19:09:24 ...me being so cute and all!

00:19:48:16-00:19:55:04 Something else that's unfair
is that a cat never gets tied up.

00:19:55:08-00:19:58:04 I don't see why I have to be.

00:20:06:12-00:20:09:04 But can go for walks!

00:20:11:12-00:20:15:20 But then again
the cat usually comes along too...

00:20:15:24-00:20:20:08 ...and teases me,
because she can run free.

00:20:46:13-00:20:52:12 And when I want to play with the cat,
she doesn't want to.

00:20:52:16-00:20:56:10 So I play with a toy cat instead!

00:21:11:04-00:21:14:08 I don't like the dark.

00:21:17:07-00:21:20:21 And cats can see in the dark.

00:21:21:00-00:21:23:15 Scary!

00:21:30:15-00:21:32:23 And unfair!

00:22:05:23-00:22:12:23 Most things are unfair when
you're a puppy in a house with a cat.

00:22:13:02-00:22:19:22 Though in bed, there's only room
for one. And guess who that is!
