

CHILDREN STORIES: "A Long Time Before Yesterday... DOLLS"		
TIME IN	TIME OUT	SCRIP
00:00:01:14	00:00:07:12	Nowadays there are tall dolls, short dolls, huge dolls or tiny dolls.
00:00:07:14	00:00:09:24	But once upon a time...
00:00:10:00	00:00:10:20	There wasn't so much to pick from.
00:00:12:21	00:00:19:09	In fact having a doll at home, which wasn't made of cloth was something really special.
00:00:19:10:	00:00:27:24	In order to deserve them, girls should behave very properly at school and be always neat and tidy.
00:00:29:05	00:00:33:21	Dolls could be made of mache paper, of yeast or porcelain
00:00:33:22	00:00:39:12	But they were so fragil that it was difficult to play without smashing them.
00:00:40:00	00:00:48:05	Luckily, one day someone made the plastic up and dolls finally become unbreakable.
00:00:48:16	00:00:57:05	Blond or brunette, the ilusion was always the same: that dolls acted like real sons and daughters.
00:00:58:07	00:01:04:09	Some of them could be bath. Others could say "mama". Others, walk.
00:01:04:10	00:01:12:13	and even the same doll could have different faces, which amused some and terrified others.
00:01:12:14	00:01:17:04	Will there be one of these old dolls in some corner of your house?
00:01:17:05	00:01:19:21	May be yes, may be not.
00:01:23:	00:01:23:13	But if you ask daddies, ounts or grannies
00:01:23:14	00:01:28:14	surely you will come across a beautiful and forgotten story.
