

CHILDREN STORIES: "A Long Time Before Yesterday ... GYM"		
TIME IN	TIME OUT	SCRIP
00:00:00:11	00:00:05:09	Nowadays doing gym or doing sports is something rather usual
00:00:05:10	00:00:07:18	But once upon a time...
00:00:07:20	00:00:09:16	the story was different.
00:00:09:17	00:00:14:07	Let's have a look at this open boys class in 1913.
00:00:14:08	00:00:16:02	A much expected event!
00:00:16:03	00:00:20:21	Relatives and neighbours were waiting for the amazing exercises.
00:00:20:22	00:00:26:11	Some kids got really anxious Others wanted just fun.
00:00:28:03	00:00:32:02	Look how this boy is hitting the other till knocking him down!!
00:00:32:11	00:00:39:17	And now, what do you think they are doing? They are hurrying to be the first to eat up the apple.
00:00:40:21	00:00:44:11	Would any of these kids become a famous sport-man?
00:00:45:06	00:00:49:00	It seems everything started in prehistory.
00:00:49:01	00:00:55:14	While training for hunting, man wandered here and there in a dance- like manner
00:00:55:15	00:00:59:00	It is said gym was born this way.
00:01:00:00	00:01:01:04	But hang on a second
00:01:01:05	00:01:05:08	There is not much place for dancing in this class!!
00:01:05:10	00:01:10:10	Surely rules were very severe and nobody could make mistakes
00:01:11:13	00:01:21:12	What teachers most liked in those days was to see all the children soldier-like repeating the same exercises at the same time.

00:01:30:17

Don't you feel it's more exciting for everybody to do whatever they can the way they prefer?
