Camila: What happened?	-	00:11:11	00:12:08
Sebastian: The grille that strains the garbage seems to be blocked.	-	00:13:10	00:17:06
Beatriz: Hey, here's the problem...	-	00:18:06	00:20:10
Beatriz: ...They are the plastic bags that go through the drains.	-	00:20:16	00:23:16
Sebastian: If the collector's waters run properly, they are purified before getting into the sea.	-	00:24:12	00:30:24
Beatriz: And if we wouldn't throw these "undigested" substances into the streets, I wouldn't have to do this!	-	00:31:05	00:36:13
Camila: Poor Beatriz. It seems to be that the draining system looks like our own intestines, doesn't it?	-	00:43:20	00:50:22
Beatriz: Yes, just like it!	-	00:54:17	00:56:07
