### The Trap for Baby Jesus

Millions of people receive at Christmas millions of presents. Everybody knows who brings them. It could be different, but in a small country in the very heart of Europe it is the Baby Jesus. He comes on Christmas Eve and places his presents under the Christmas tree. But he does it only when the room is empty and takes great care not to be seen by anyone. So nobody really knows what he looks like! And children love secrets. But what they love more, is a secret revealed!

It is Christmas Eve and an eight year old boy Vašek decides to build a trap and catch the Baby Jesus. He finds an ally in his five years old sister, but there is a problem: what to do with their parents? Because they mustn't find out what is going on...
