

ELISA

Synopsis

Elisa is a documentary about a eleven year old girl that lives with her mother during the winter but then lives with her father over the summer on the island Flatey in Breidafjörður in Iceland. The film follows Elisa on her journey to the island and her stay there during the summer of 2004. In the island Elisa is very close to nature and among other things adopts and cares for a group of orphan eider nestlings.

ELISA

Synopsis

Elisa est un film documentaire qui parle d'une fille de onze ans qui vit avec sa mère pendant l'hiver et son père pendant l'été sur l'île Flatey sur Breiðafjörður. Dans le film, on suit la vie d'Elisa pendant son séjour à Flatey pendant l'été 2004. Elisa est un enfant de la nature et élève un groupe des eiders sauvages orphelins.

ELISA

Synopsis

Elísa er heimildarmynd um 11 ára stúlku býr með móður sinni á veturna en síðan hjá föður sínum á sumrin á eyjunni Flatey á Breiðafirði. Í myndinni er fylgst með ferð Elisu út í Flatey og dvöl hennar þar sumarið 2004. Elisa er þar mjög tengd náttúrunni og elur meðal annars upp hóp af munaðarlausum æðarungum.
