Welcome to Eurovision Music & Dance News Flash Info!

We are pleased to inform you that we are in the final stages of drafting the agenda for the Eurovision Summit, which will be held in Lucerne from 1-5 May, 2007. Together with the Music & Dance Bureau, we are working hard on bringing you an interesting list of items to be presented and discussed, as well as key-note speakers.

SUMMIT

In 2007, the **Eurovision Music & Dance Plenary** will be integrated into the annual **Eurovision TV Summit**.

DATES & LOCATION

The Summit will begin on **3 May**, with a **Common Focus day**, at the Luzerner Saal of the KKL.

This event will assemble some 500 delegates from all areas of public service television. The programme will be of value to professionals in public broadcasting. It will incorporate a showcase of outstanding programmes covering all genres. The afternoon will be devoted to **storytelling**, with the world's most outstanding directors, writers and screenwriters sharing their thoughts with us.

The Common Focus day will be followed by the **Music & Dance Plenary** on 4 May (at the Continental Hotel). The Plenary meeting is open for all heads of cultural departments. We will exchange new trends, discuss ongoing co-productions and bring ideas for new collaborations.

WORKSHOP

With the proven success of previous sessions, we shall once again hold a break-out workshop, focused on potential future developments.
