

INSIGHT-OUT 2009

Digital Production in Film and Television

From 23 - 27 March 2009

HFF - Film and Television Academy, Potsdam-Babelsberg, Germany

Europe's leading training workshop on D-Cinema and HDTV for production professionals!

30 award-winning experts from Hollywood, Europe and Asia share their knowledge through lectures, case studies and in hands-on workshops to help you make the best decisions for your productions. Film crews present their films and report on their experiences with the new equipment and workflows. 5 digital workflows from HDTV drama to stereo 3D will be set up for you to gain practical experience.

Analyse all aspects of production from pre-production, shooting to post-production. Explore the aesthetic impact of the most recent HD technologies and how they are applied in practise.

A relevant course for Southern Mediterranean EBU Members

EBU TRAINING has selected INSIGHT OUT / HFF Academy 2009, an innovative and dynamic training course with high quality standards. It is a valuable course for EBU Members from Southern Mediterranean region as HD technology is becoming an essential component in digital production.

EBU Sponsorships for EBU Members

EBU will grant 5 full scholarships (covering course fees, accommodation and a travel allowance) to 5 professionals from MEDA countries (Algeria, Egypt, Jordan, Lebanon, Morocco, Tunisia, Palestinian Authority, Syria, Israel). The selection will be done jointly by EBU and HFF.

Application deadline for the Scholarships: 29 January 2009

Application: <http://insightout-training.net/cms/?id=27>

EBU will cover course fees for 6 professionals from Central and East-European Members who are in the transition to HD production (Bulgaria, Croatia, Czech Republic, Estonia, Romania, Slovakia and Turkey).
