"100% PYRAMID"

PRESS RELEASE

Documentary about 11-year-old boy Belmin and his school mates Irfan, Lejla and Dino is filmed in Visoko, little town famous by a sensation that a prehistoric pyramid in Bosnia and Herzegovina, in the heart of Europe was found.

Not only kids, but the adults too, are caught by a pyramid fever.

Belmin, Mr Science, knows everything about Egyptian pyramids and tries to film some more proofs with his mobile phone to support an enthusiast explorer's hypothesis fulfil.

Mr Semir Osmanagic is 100% sure.

What about Belmin? Will he succeed?
