

MEETING OF TV YOUTH PROGRAMME EXPERTS

(Ponta Delgada, 12 to 15 November 2005)

RTS,TV Belgrade-Rabbit in the hat

Paolo and his father are traveling magicians, arriving in a new country and holding shows in a new town. Their main viewers are children, especially children of Paolo's age. Everything would be fine if it weren't for rabbit Cezare the main partner in the magicians trick who disappeared after the show.

Paolo is worried, because the rabbit went missing while he was with Jasna the girl he met and that's why he goes searching for him with his new friends.
