

## **MEETING OF TV YOUTH PROGRAMME EXPERTS**

**(Ponta Delgada, 12 to 15 November 2005)**

RTS, TV Belgrade, The climb

Jovana is a quite pampered girl living in the shadow of her older sister, her role model. She would like to become independent and older than she is, and the first opportunity arises when she goes camping with the scouts. There she adapts to a new life and learns to take care of herself..

The most difficult task is going uphill a mountain peak with friends. During that climb, she doesn't only climb up the mountain, but proves that she has a strong spirit and that she is equal to older ones.
