

**Re: Blog for the Radio Day of European Cultures 2007**

Berlin and Geneva 3 October 2007

Dear Colleagues,

Hereby we have the pleasure to offer you complimentary continental action to the Radio Day of European Cultures.

EBU RADIO and PRIX EUROPA have installed a website for blogging:

**I am Europe**

**Collecting voices from Europe.**

<http://www.radiodayweb.eu>

In the context of the Radio Day, the blog calls on all individuals living in Europe to discuss their European or non-European identity.

To give the blog the necessary cross-border impact you need only to invite your audiences to join this continental dialogue by informing them about the blog, its aim and web-address. This you might do from now on, but especially on the Radio Day of European Cultures itself on Sunday, 14 October, which counts a participation of 44 broadcasters from 30 countries today.

More details about the blog see attachment or directly at: <http://www.radiodayweb.eu>

With best regards
