Flying Horse

- 10:00:22** I love motocrossing .  
Last year I was Turkey's runner-up. This year my ambition is to be the champion and I really want it.
- 10:00:39** Pegasus is the flying horse in the Greek Mythology so I named my motor "The Flying Horse".
- 10:01:04** At home, I live with my father and my grandparents. My mother and father are divorced so my grandparents take care of us.
- 10:01:24** This weekend the Balkan and a lap of Turkey Championship are held.
- 10:02:12** **Father:** He is tired. He'd better slow down.  
He'd better not to tire himself.
- Trainer:** He is doing quite well but he needs to slow down. His arms are tired now. He'd better be careful.
- 10:02:46** **Trainer:** Don't get into close struggle with any other motor, you might fall down.
- 10:02:51** Şakir is my trainer. He gives the instructions how to race and I sometimes object and say "I can't do it". And he gets mad.
- 10:03:36** **Trainer:** You should've checked other racers ,but you didn't.
- 10:03:42** At the Balkan Championship I was expecting to be the third or fourth but things did not go as I expected.
- 10:03:48** But I won the Turkey Championship's lap.
- 10:04:01** My favourite teacher is my history teacher because she teaches us history with games and jokes.
- 10:04:15** I like a girl in my class.
- 10:04:41** I was going to ask her out but something happened and I gave up .

## MEETING OF TV YOUTH PROGRAMME EXPERTS

(Ponta Delgada, 12 to 15 November 2005)

**Alican:** Why?

**Ata:** She lied and I finished before starting.

### EBU DOCUMENTARY 2005-TRT

- 10:05:06** My mother was supposed to come today but she went on a tour so she could'nt come.
- 10:05:36** We were two rivals in the race held at Hezarfen. Last year's my Champion who is greatest rival Sinan and I .
- 10:05:42** It was very important for me to pass him.
- 10:06:12** I passed him and won the race.
- 10:06:17** **Father:** Congratulations. It was the most exciting race of yours I have ever seen.
- 10:06:30** Besides motorcrossing my father makes me in doing physical exercises. Physical condition is very important for this sport or you get tired easily.
- 10:06:59** Would you like some?
- 10:07:03** **Trainer:** Try to pass to the right as much as possible in case you start from left.
- 10:07:22** There is European Championship at this weekend. I am experienced now and want to do better. There are 35 racers in this race and I want to be in first 20.
- 10:08:58** There were three races in European Championship today. These three races were really hard for me. Other guys were very good. Most of them were fifteen years old and all racing for the championship. I am only twelve. So they are all elder than me. And also technicaly and physicaly better than me.
- 10:09:22** My mother came to the European Championship for the first time. I haven't seen her for a year. We have started to see each other only recently.
- 10:09:53** **Ata :** What grade do you think I will get?
- 10:09:58** **Gradfather:** I think you will get a good grade.  
**Ata:** I hope so.

**10:10:04**     **Ata:** Will you tell my father to pass me to bigger bike?

**Grandfather:** If that's what you want I tell him.

### EBU DOCUMENTARY 2005-TRT

**10:10:22**     I get on very well with my grandfather. Before asking something from my father I tell my grandfather first, and than convinces him.

**10:10:46**     My parents divorced five years ago. That's why I sometimes stay with my mother and sometimes with my father.

**10:11:22**     My mother like puzzles. I don't really like puzzles it seems to me boring.

**10:11:32**     They divorced when I was eight. And I was very upset when they seperated.

**10:11:38**     Then I got used to this situation. Now, I am not angry with anyone.

**10:11.45**     I wished they had been together but after seeing them arguing ,

**10:11:49**     I realized that it would be better that they were seperated. I believed...

**10:11:55**     ...that it would be worse for them being together I gave up my idea.

**10:12:03**     But I do not want my father or my mother have girlfriends or boyfriends .

**10:12:08**     I really do not want that. That's why I had problems with my mother.

**10:12:16**     I was very angry with her. And we didn't see each other for a long time.

**10:12:23**     Then she called me and I forgave her.

**10:12:40**     My father who is my biggest supporter takes me to the races. My father also races in the C category but this is another issue.

**10:13:26**     The forth step of the Turkey's Championship was held today in Hayrabolu and I was the runner-up. A Serbian boy who was the Balkan champion won the race . I tried my best to catch him ,but I couldn't. He was better than me.
