

MEETING OF TV YOUTH PROGRAMME EXPERTS

(Ponta Delgada, 12 to 15 November 2005)

MAKING FRIENDS IN CUBA

Eduard is 11 years old and lives in Barcelona, Spain. He's been writing to boys and girls from Cuba in a workshop of his school. Finished the term, he had the chance to be in the group travelling to Havana and meet the Cuban friends in person. The trip has offered him lots of discoveries and new experiences that in this documentary he shares with us.
