**A Film by Justin Stauber and
Christine Angermayer**

Ella and her classmate Tim are competitors: Both of them want to play the role of the knight in shining armour in the class play!

The teacher's only solution is to have the class draw lots for the role. And Tim wins!

Ella doesn't give up. She tries all sorts of tricks to take the knight's role away from Tim. In the end there is an accident that nobody wanted, but which has surprising consequences...
