

Future skills and mindsets

the slowest day is today....

# DiFfusion curve

X future skills and miNdsets

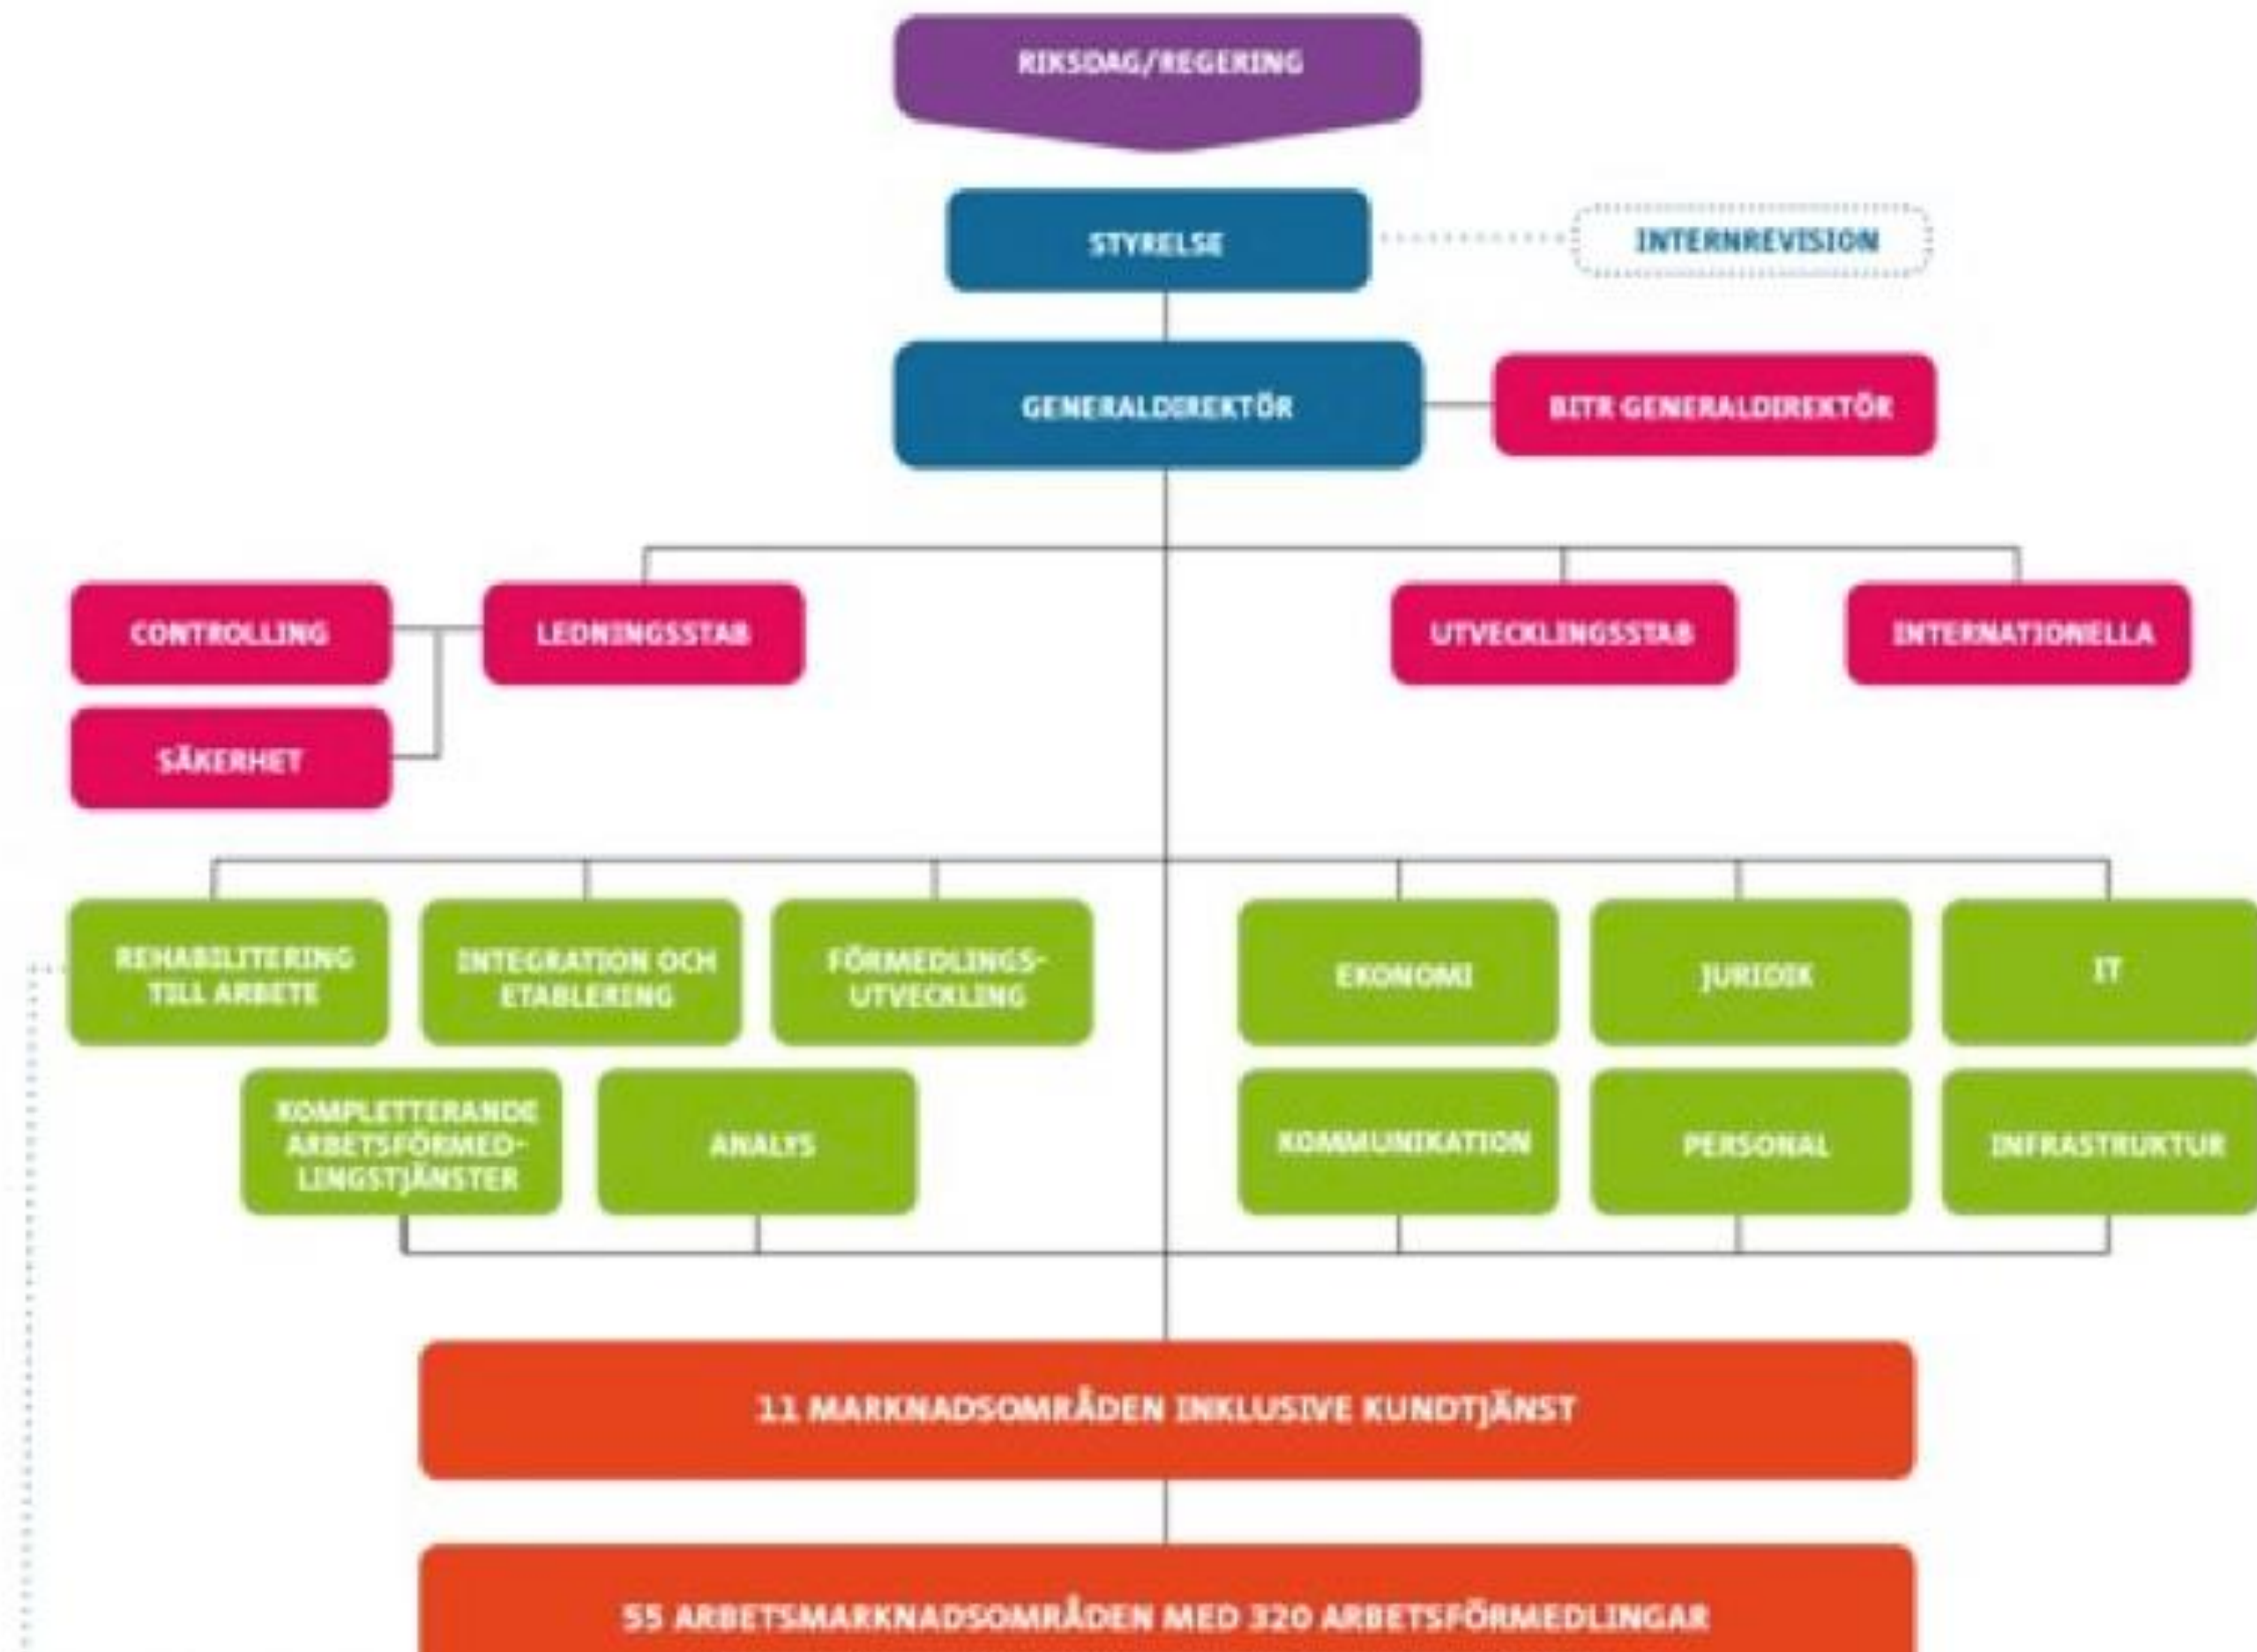

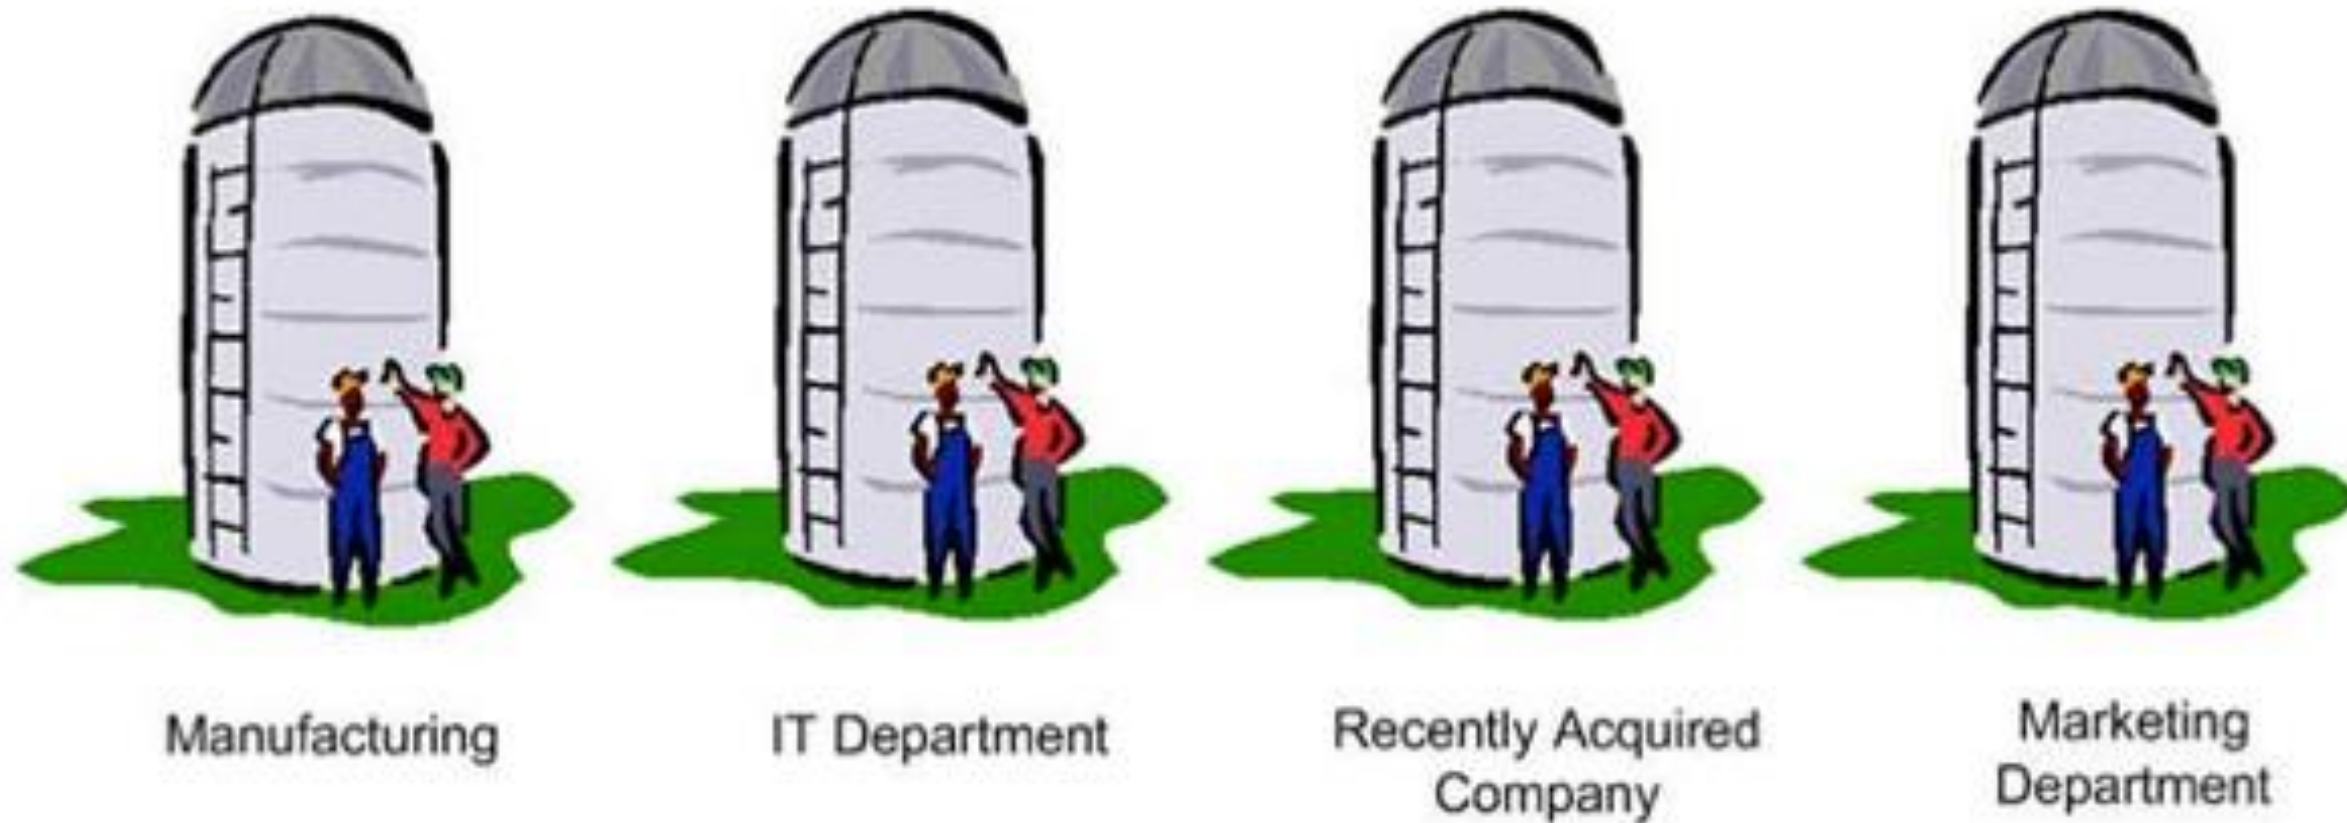

1. be an expert in working in cross functional teams

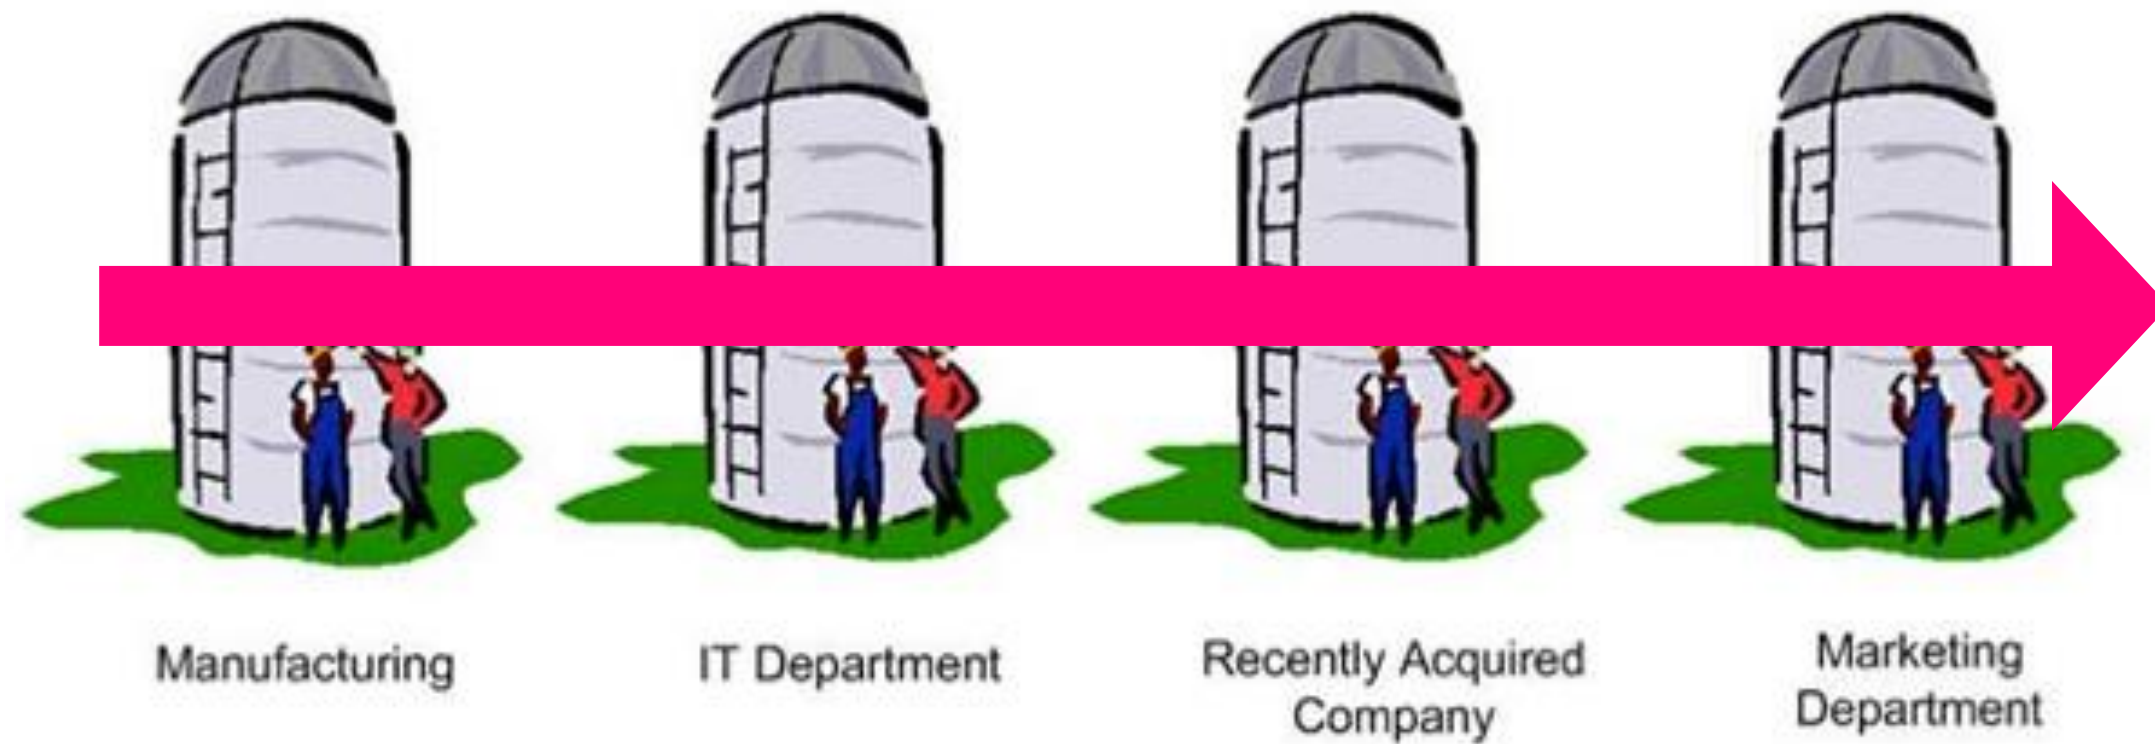

# today's organisation

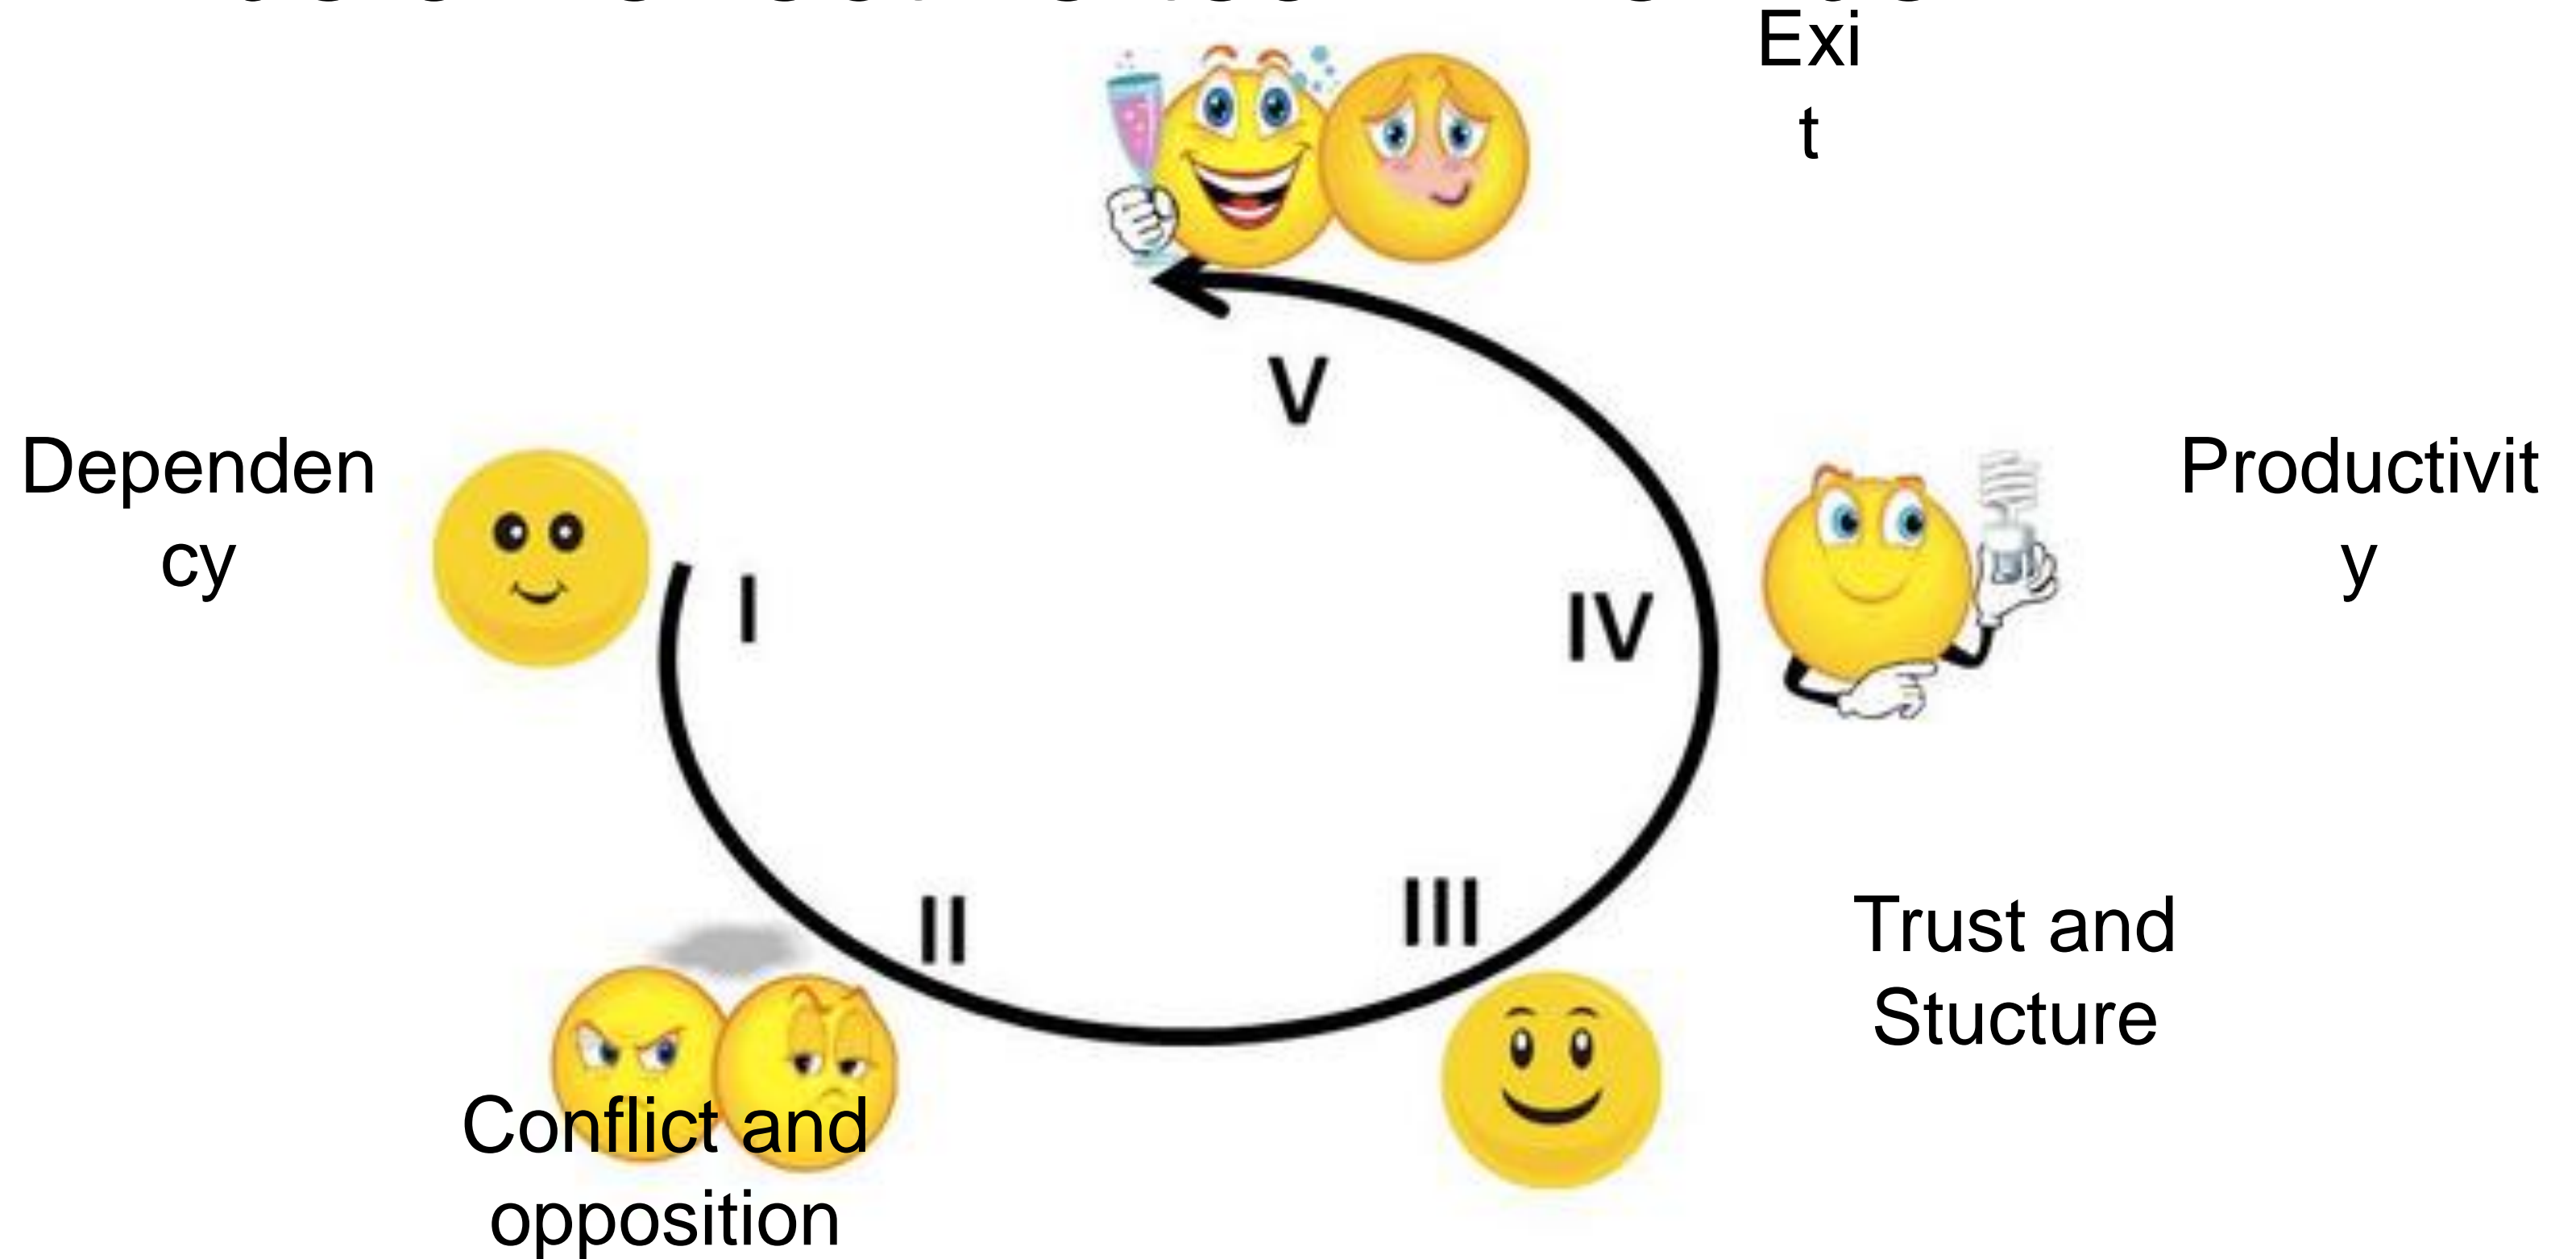

# cross functional teams

A common goal

## 2. be an effective team member

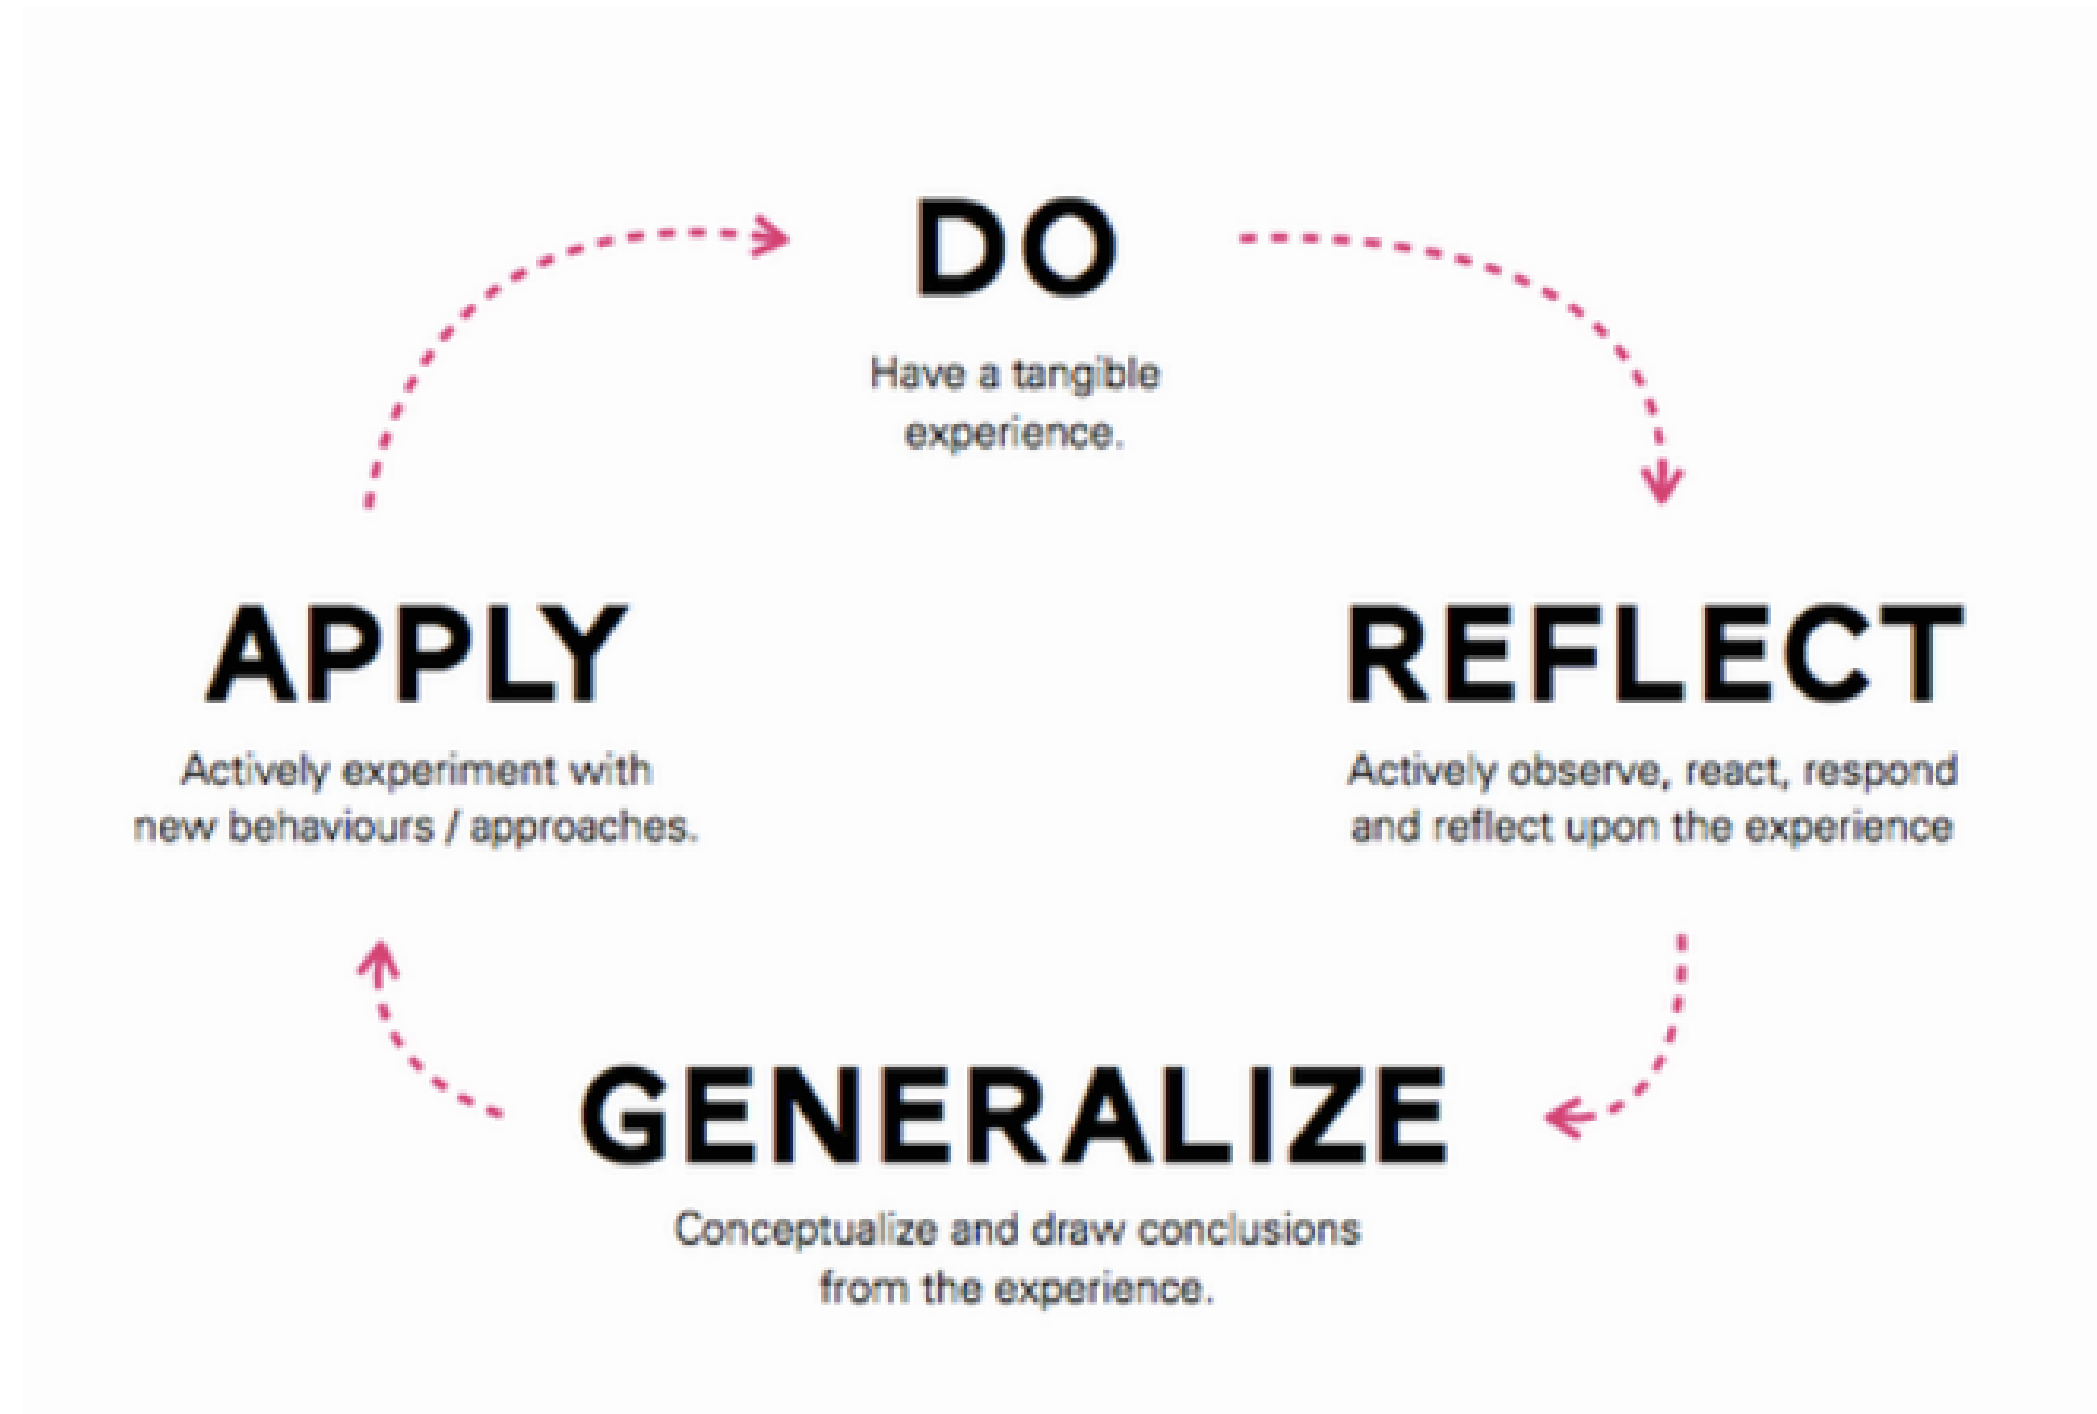

# **mistake**

**3. be a person who stands for and can  
cherish mistakes**

# open to constant learning

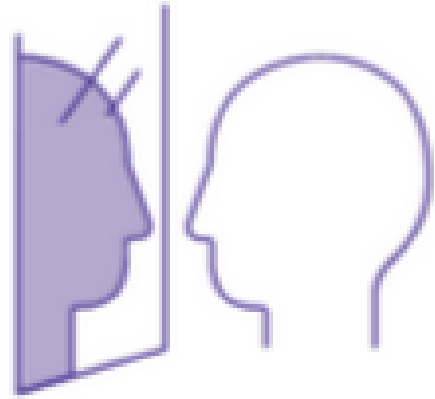

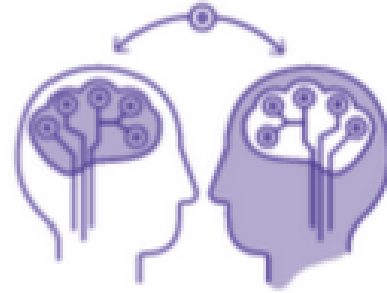

## 4. be your own leader

Self -  
insight

Ability to  
reflect

Understand  
and  
take personal  
responsibility

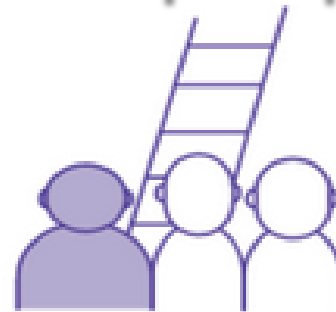

Ability to give  
and  
receive feedback

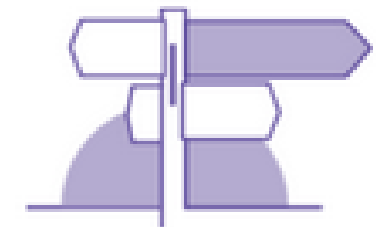

Dare to take  
action

Understan how you  
affect  
other people

Always in the  
direction  
of the company

**Tack!!**
