12:30-13:00 EBU Music Panel: Reinforcing connections and shared values

The year 2020 has offered EBU music communities countless opportunities to create new connections among Member organizations and with the wider music world. It has also made radio music channels' output more visible on the international level, demonstrating the impact we can have together. Let's look back on the past year's achievements and look forward to common challenges with three of our positive energizers.

Miikka Maunula (Executive Producer, YLE; Chair, EBU Classical Music Group)

Jessica Isaacs (Head of Production, BBC Audio Radio 3)

Christian Thompson (Head of Artistic Planning, Berwaldhallen, SESR; Chair, EBU Radio Ensemble Group)

Video messages:

Elsa Comby (Deputy Secretary General, Radio France)

Ramūnas Zilnys (Head of Popular Music, LTLR)

7. Elections 13.00

Elections for the new mandate of the Radio Committee, 2021 – 2023. The voting procedure runs in real time with the voting delegates being guided through three phases – the vote of the president, three vice-presidents, and ten members of the Radio Committee.
