CILLA BENKÖ

# THE BIG DEBATE

The Potsdam Summit, 11 Oct. 2019

Sorry, our strategy can't be yours.

# Six questions every company has to ask itself

1. What's the state of your market?

1. What's the state of your market?
2. What are the needs and behaviours of your audience?

1. What's the state of your market?
2. What are the needs and behaviours of your audience?
3. Who are your toughest competitors? Are they mainly linear or on demand?

1. What's the state of your market?
2. What are the needs and behaviours of your audience?
3. Who are your toughest competitors? Are they mainly linear or on demand?
4. Which content for whom, and where?

1. What's the state of your market?
2. What are the needs and behaviours of your audience?
3. Who are your toughest competitors? Are they mainly linear or on demand?
4. Which content for whom, and where?
5. What are your technical resources compared to others?

1. What's the state of your market?
2. What are the needs and behaviours of your audience?
3. Who are your toughest competitors? Are they mainly linear or on demand?
4. Which content for whom, and where?
5. What are your technical resources compared to others?
6. What's the state of your purse?

1. What's the state of your market?
2. What are the needs and behaviours of your audience?
3. Who are your toughest competitors? Are they mainly linear or on demand?
4. Which content for whom, and where?
