# WHO ARE WE?

RFI Instrumental is Radio France Internationale's music library. It serves audiovisual professionals, in television, radio, film and advertising, and encompasses thousands of stock tunes covering dozens of musical genres. **Available online, the service offers music from every continent.**

RFI Instrumental is international to the core and that is what sets it apart. Its diverse teams, multilingual programming and international partner network give it unique understanding to produce, along with expert composers, unique sounds suited to every musical culture.

Thanks to this one-of-a-kind know-how, RFI Instrumental also creates tailored music for other media and businesses in every sector, in France and beyond. Brimming with RFI's proven expertise, RFI Instrumental creates distinctive sounds that convey a company's singular culture and values.

## OUR CATALOGUE

### WORLD MUSIC

From the heart of each country's musical culture – including Poland, Spain, South Korea, Ethiopia, Turkey, Ireland, Mali, Japan, India and many more – discover traditional music played with the real instruments (kora, tabla, balafon, sintir, oud, clarinet etc.), as well as electro and pop remixes.

[rfi-instrumental.com/en/albums/category/World](https://rfi-instrumental.com/en/albums/category/World)

### MAINSTREAM

Electro, Rock, Synth Wave, Afro Trap, Investigation, Health, Christmas, Euro and Ragtime are a few of the genres to titivate any topic: the news, leisure, culture, human-interest stories, the pandemic and more.

### FRANCE

**Paris** – Experience Paris's elegance and exhilaration with this collection of music ranging from electro to lounge and on to rebel and romantic. The Paris you dream of is here and the possibilities are endless with the

*Paris la Nuit (by Night)*, *Paris Mode (Fashion)* or *Paris Romance* albums. **Focus France provides an assortment of albums capturing the folklore in the country's regions (the Alps, Brittany, Provence, Flanders etc.), accordion music and romantic impressionist music.**

## MUSIC MADE-TO-MEASURE

RFI also tailors music for institutional and corporate branding, credits, jingles, trailers in the media and more.

Good to know: the sound identity or jingle is one of the things people remember most easily in an advertisement.

See [www.rfi-instrumental.com/en](http://www.rfi-instrumental.com/en) for our full choice of stock music.
